our clients*

SME-EUROPE Kft.

SME-EUROPE Kft.

About us

We share your vision and your values.

We are a global logistics company that brings innovation and excellence to the industry across Europe and beyond.

Our skilled team provides tailored solutions in transportation, customs clearance, and logistics.

The company's goal is to seek out new opportunities and challenges in international freight forwarding in order to provide better outcomes for our customers. We are committed to establishing and maintaining trusting connections, as well as developing new ones, with our passion.

SME-Europe is not limited to certain modes of transport and is active in all countries and parts of the world.

SME-EUROPE Kft.

SME-Europe special services

We have the capability and expertise to handle shipments across all continents and provide full transparency to our clients.

SME-Europe can meet your logistics demands by any means of transport, regardless of where your goods originates or where it needs to go. We can deliver your cargo efficiently and reliably via air, sea, or land.

ROAD, AIR, MARINE SHIPMENT

If you are looking for a cost-effective and reliable way to ship your goods, we have the perfect solutions for you. We offer groupage services that ensure the same quality and safety as our express delivery, but at a lower price. Whether you need to transport your cargo by road, ocean or air, we have the right option for you.

You can choose from:

ROAD: Full Truck Load (FTL) or Less than Truck Load (LTL) services with daily or weekly departures to and from all European countries.

MARINE: Full Container Load (FCL) or Less than Container Load (LCL) services with weekly departures to and from all global destinations.

AIR: Fast and convenient services with daily departures to and from all international airports.

Contact us today and let us to handle your logistics.

ON BOARD COURIER SERVICE

In the shortest amount of time, our specialized on-board courier will travel with your shipment and personally deliver the item to its intended location.

In order to stay in touch and provide you with updates at every stage of the process, all of our on-board couriers are equipped with business mobile phones and have received training in cargo security.

With SME-Europe, our on-board courier service can take care of collecting, shipping, lodging, customs clearance, and packaging for you.

Depending on the size and weight, our personnel is prepared to fly anywhere in the world! 24/7/365 real-time tracking and tracing.
