

Connect with the Swiss Market!

CEE SWISS IT-SOLUTIONS & TALENT SUMMIT 2024

Date: 2 December 2024

Location: Kraftwerk @Impact Hub Zürich

The CEE Swiss IT Solutions & Talent Summit 2024, organized by the non-profit Chamber of Commerce Switzerland – Central Europe (SEC), bridges the dynamic IT sector of CEE with Switzerland’s innovative economy. This year’s summit focuses on essential IT skills—**AI**, **Cybersecurity**, and **Data Science**—along with industry expertise in **Manufacturing/Medtech**, and **Fintech/Blockchain**. The experience and skills that CEE companies bring to the summit are designed to provide valuable solutions for Swiss businesses of all sizes, including **SMEs**.

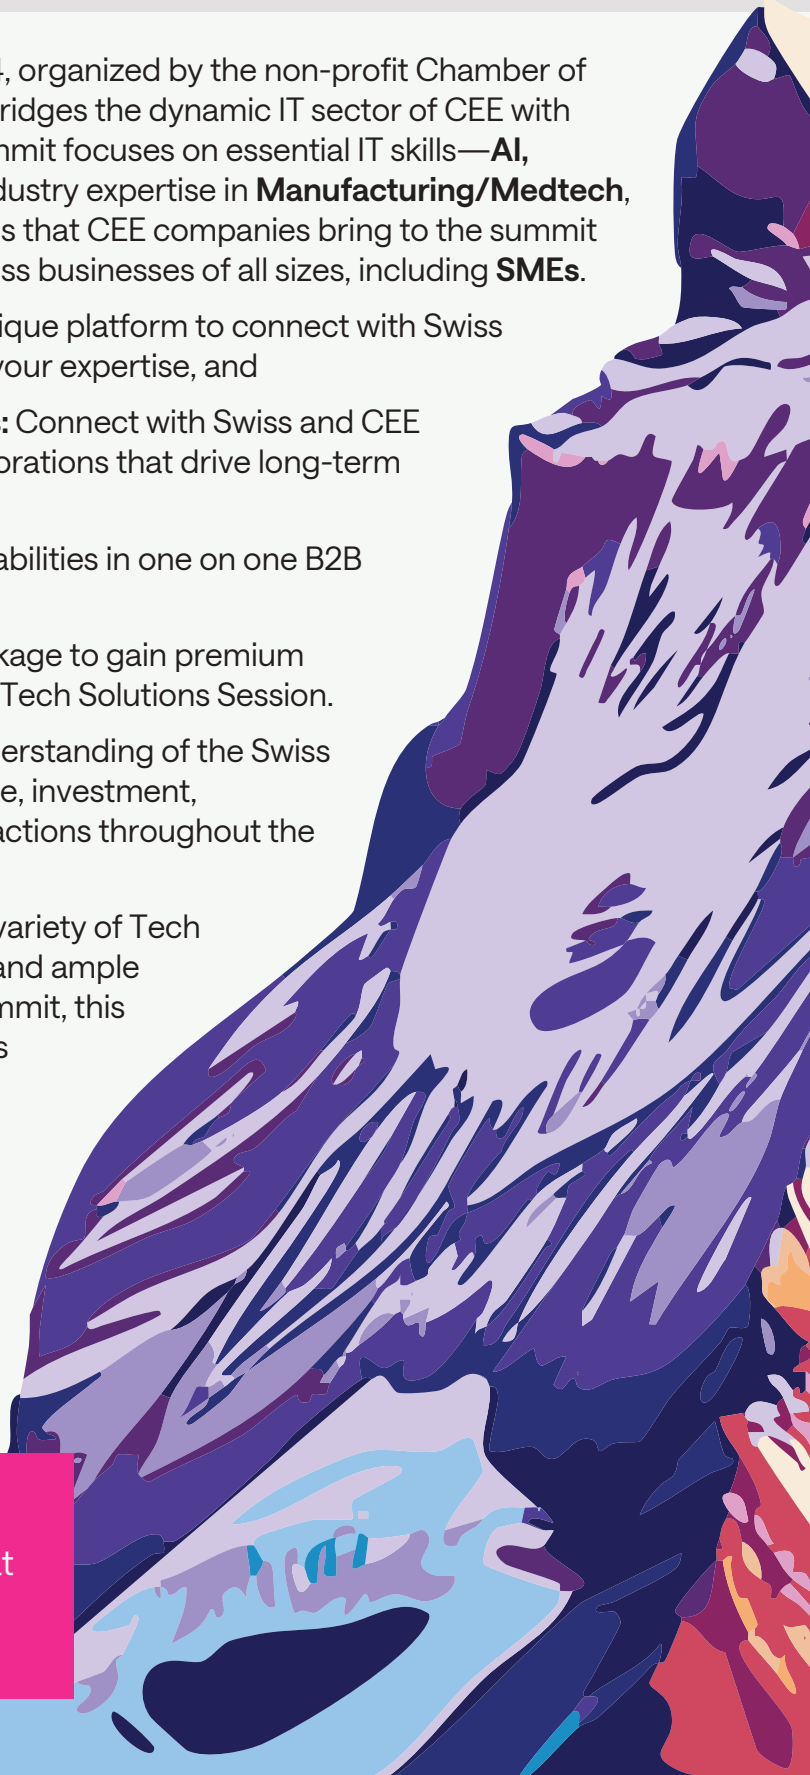

As a CEE IT company, the Summit offers you a unique platform to connect with Swiss businesses, explore the Swiss market, showcase your expertise, and

- **Expand Your Network and Build Partnerships:** Connect with Swiss and CEE decision-makers and experts for future collaborations that drive long-term growth.
- **Showcase Your Expertise:** Highlight your capabilities in one on one B2B meetings and throughout the day.
- **Take Center Stage:** Upgrade to a partner package to gain premium visibility by participating in panels or leading a Tech Solutions Session.
- **Gain Swiss Market Insights:** Deepen your understanding of the Swiss market through workshops on business culture, investment, cross-border employment, and valuable interactions throughout the day.

With 18 B2B meeting rounds (15 minutes each), a variety of Tech Solution Sessions and Swiss Market Workshops, and ample opportunities to connect during and after the Summit, this event provides unparalleled exposure to the Swiss market.

Please note: Participation is limited to approx. 25 CEE companies, selected based on expertise, country of origin, size, industry alignment, and other criteria, with priority for SEC members. Exclusive partner packages are available and offer branding, speaker slots, and the chance to lead a Tech Solutions Session, and more.
